Woman of the Year Award 2018

ATTENTION: MFWDC DISTRICT PRESIDENTS

If someone in your club excels at giving her time, talent, and resources to the Democratic Party and the individual Democratic candidates, we offer you a way to thank her and give her special recognition. Each year the MFWDC presents a **Woman of the Year** Award during the Annual Convention. One woman is selected from nominations submitted by each of the Congressional Districts. Only one nominee is allowed per Congressional District. Each of the finalists are recognized and introduced, along with the recipient herself. Please use this form and submit your nomination to your District President.

When submitting your form, do not attach more than two support letters, and do not submit another version of this form. Consistency will guarantee that each nominee will receive equal consideration. Please enclose a good photograph that can be used to honor the nominee in our convention program booklet.

***Note: The MFWDC Executive Board wishes to keep oral presentations to a maximum of two minutes. Therefore there will be a table at the convention which will allow you to display information on the District nominees, and each nominee will be featured in the Program Book with her photo and list of accomplishments.

Please complete the information below and the enclosed form, and submit it to your District President. District Presidents will then submit their nominee to the MFWDC **Woman of the Year** Committee Chairwoman listed below.
